# SUPER SLUTS

sponsored by TRASH PALACE

This is the tale of one man's fantasy... he had a fetish for watching imported pornographic movies... he would pretend the actresses were his friends... he would talk to them, ask them out, window shop and imagine himself buying them cute little outfits... one night they talked back...

Solo performance by Satina Saturnina. Satina plays the part of the super slut from space coming alive as the actress in this imaginary B-grade porn movie. In this piece she also explores the concept of the microphone as an obvious phallus... an object of worship, sung to, and into by performers & over the world.

Video Installation: Jeff Hurrell... footage from the imaginary B-grade movie, SUPER SLUTS FROM SPACE... starring Satina Saturnina

Costume: Cath Skinner.. design concept Satina Saturnina

# STEAK BARBIE

BARBIE... one of Satina's favourite toys... amongst other things...  
BARBIE... object of love and scorn...is she a piece of meat marketed iconic flesh... or a poor misunderstood little goddess mercilessly burned for her "unrealistic" glamour and beauty...Marilyn Monroe once crooned that to possess incredible beauty often met the same response as if one was hideously disfigured...people don't accept you as one of them...  
CLAP HANDS

Video Installation (Jeff Hurrell)...depicts Satina making Barbie rolls.

# ANNABELLEE

sponsored by KATO MUSIC

Single release on KATO 1997... features on NZ ON AIR indie  
hit disc #3.

The tale of a movie star... set in an incredibly strange world  
of forbidden

glamour... a world where women are no longer able to  
dress in slinky, fluffy little figure hugging numbers, for fear  
of being condemned as sexist offerings  
to the greasy male gaze...In this world these fashions have  
been given to men..

It is considered acceptable for men to dress in this way...the  
mockery of overt  
femininity is applauded by all... However... a secret sect ex-  
ists... a group of  
women, unable to give up their fetish for fluff and heels... In  
order to survive  
these women must pose as drag queens... Annabelle is one  
of them..This is her  
story...
