Dear Mr. Alteen :

In response to your application for travel assistance under the **Outreach Program: New Audience and Market Development Assistance**, the Canada Council has approved your request to assist with travel expenses for Visible Art Society to organize a network meeting of performance art curators in Vancouver, from 21 to 25 October 1999.

An amount of \$6,000.00 will be released to Visible Art Society following the next cheque production. A final report, including clear copies of travel receipts and outcomes from your attendance at the above mentioned event, must be submitted **no later than 31 days** following the event. Failure to submit the final report will disqualify you from receiving further support from the Canada Council.

The Canada Council for the Arts Outreach Section is pleased to be able to support your artistic endeavours, and we extend our best wishes of success.

Sincerely,

Sandra L. Bender
