Daina,

Glenn has passed your name onto me with regards to a project we are developing collaboratively. I have attached a copy of the proposal for you to have a read through: any comments are welcome.

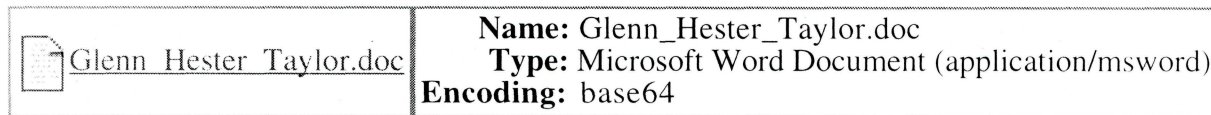

I just have a couple of questions for you:

- 1) Did you manage to find an Australian organisation who might be interested in taking part? If so, could you pass on their contact details to me?
- 2) Would you be able to write a brief letter of support on behalf of Grunt that I could include in the application? Any brochures / further info on Grunt would be useful too.
- 3) Glenn has spoken to Rebecca Belmore about being the artist on your end of the project. Do you have an e-mail address that I could contact her at?
- 4) You might find it interesting to have a look at the funding stream we are applying through on this end. It is supported by BBC interactive, Arts Council of England and b.tv. <http://www.bbc.co.uk/arts/shootinglive/> It's quite high profile over here, and should bring in some good publicity for both organisations if we are successful.

I think that's it for now. I look forward to hearing from you.

All the best,

Lora
