THANKS FOR INVITING ME TO JOIN WITH YOU IN DISCUSSION OF PORT COQUITLAM CITY AND WHAT I SUGGEST CAN BE DONE TO IMPROVE LIFE HERE.

I FOUNDED THE POCO GARDEN CLUB IN 1990. THAT GROUP HAS GONE AHEAD LIKE WILD FIRE. SO MANY SAID, 'I WAS JUST WAITING FOR SOMEONE TO DO SOMETHING.' THERE ARE NOW 63 MEMBERS - THAT REPRESENTS 63 HOUSEHOLDS WITH A DESIRE TO MAKE THEIR PROPERTIES ATTRACTIVE. I WAS PRESIDENT FOR 18 MONTHS. I SET UP THE TERMS OF OFFICE - PRESIDENT FOR 1 YEAR ONLY. A PRESIDENT CAN GIVE IT HIS 'ALL' FOR ONE YEAR WITHOUT UPSETTING HIS LIFE AND FAMILY TOO MUCH.

TOMORROW I AM CHAIRING A FOUNDING MEETING OF 'THE PORT COQUITLAM ASTRONOMY CLUB'. THERE ARE 24 INTERESTED PERSONS. THE AIM OF THE CLUB IS TO GATHER PEOPLE WHO HAVE THE SAME INTERESTS. A FURTHER AIM IS TO PUT ON ACTIVITIES FOR SCHOOLS AND THE PUBLIC. PORT COQUITLAM CAN BE THE CENTRE FOR A LOT OF GREAT ACTIVITIES. I WOULD ALSO LIKE TO SEE A TOASTMASTER CLUB.

OF COURSE, THERE IS QUITE A LOT OF CIVIC PRIDE IN OUR TOWN BUT IT NEEDS TO BE ENCOURAGED AND PROMOTED. THAT'S WHAT I AM TALKING ABOUT. MOST PEOPLE SEEM TO BE OUT FOR THEMSELVES.

WE NEED LEADERSHIP AND PROMOTION. JUST AS YOU HAVE TO SPEND MONEY TO GET MONEY - YOU HAVE TO PROMOTE CIVIC PRIDE TO GET CIVIC PRIDE. THE MAJORITY OF CITIZENS ARE GOOD BUT SILENT. PRIVATELY, YOU HEAR CRITICAL COMMENTS ON ALL SIDES IN YOUR DAILY CONTACTS. UNFORTUNATELY, THE SPEAKERS DON'T WANT TO GET INVOLVED - ARE TIMID - PREFER OTHERS TO DO IT FOR THEM. MANY ARE SO TIMID, THEY TELL YOU THEIR IDEAS OR BEEFS - THEN SAY ' (YOU) DON'T SAY ANYTHING!' - DON'T ROCK THE BOAT! - DON'T UPSET PEOPLE!'

WELL EVERYTHING IS NOT GOING ALONG FINE. BECAUSE OF SHORTSIGHTEDNESS, POCO IS SURROUNDED BY RAPIDLY ADVANCING COMMUNITIES. WE HAVE IMPORTANT HISTORY, TRADITION, AND A WEALTH OF CULTURAL HERITAGE LYING DORMANT.

WE NEED LEADERSHIP AND PLANNING FOR FUTURE MOSTLY BY OUR CITY FATHERS AND CITY HALL. THESE ARE KNOWN BY THE CITIZENS AND THEIR OFFICES MOSTLY RESPECTED BY THE CITIZENS. THESE LEADERS AND OFFICIALS HAVE THE RESOURCES AND THE TRAINED AND ABLE PERSONS TO SPEARHEAD CAMPAIGNS.

WE HAVE A CHAMBER OF COMMERCE ALTHOUGH I CAN'T RECALL HEARING FROM THEM. WE HAVE GOOD WORKING GROUPS INCLUDING LIONS, KINSMEN, ELKS, MASONS, ETC. BUT I HEAR LITTLE PROMOTION OF CIVIC PRIDE FROM THEM.

I HAVE LIVED HERE 28 YEARS. I DID MY BEST AS A SCHOOL TEACHER. I AM A MEMBER OF A RADIO EMERGENCY COMMUNICATION GROUP. I HAVE BEEN ACTIVE IN CHURCH WORK AND THE OLD AGE PENSIONERS BRANCH 21. I KEEP MY PROPERTY IN THE BEST SHAPE I CAN.

PORT COQUITLAM IS A GOOD PLACE TO LIVE BUT I FEEL THE NEED TO SUGGEST IMPROVEMENTS.

AS A PENSIONER, I AM NOT ABLE TO FUND PROMOTIONAL SCHEMES. ONE ADVERTISEMENT I PAID FOR, WAS 2 INCHES BY 3 INCHES. IT WAS FOR GARDEN WEEK AND WAS PRINTED ONCE. THE COST TO ME WAS \$52. I DID NOT ASK FOR THAT MONEY BACK, BUT CANNOT SUSTAIN ANY SERIES OF SUCH COSTS.

ALTHOUGH I HAVE IDEAS I WISH TO PRESENT TO YOU I BELIEVE THE PUBLIC SHOULD BE INVITED TO 'THINK TANKS' SO WE CAN ASSEMBLE A LOT OF DESIRES.

AUG 10 1992

HERE'S MY LIST OF IDEAS.

GARDEN WEEK -(MAYBE RENAMED 'CIVIC PRIDE WEEK') URGING CLEAN-UP,
PAINT-UP, FIX-UP, AND PLANT.

ANTI-LITTER - POSTER CONTEST - ANIMAL-LIKE WASTE BINS ETC.

BEAUTIFICATION OF CITY- ENTRANCE SIGNS - BUSINESSES

PEDESTRIAN MALL -

RAILWAY MUSEUM -

INDIAN MUSEUM AND GIFT SHOP -

CITIZENS 'THINK TANK'

AND A REALLY AMBITIOUS ONE - AN OFFICE TOWER WITH ROOMS FOR ARTS,
CRAFTS, TROPHY DISPLAYS, MULTICULTURAL DISPLAYS, GOVERNMENT
OFFICES AND A REVOLVING RESTAURANT ON TOP. EVEN A 100 FOOT TOWER WOULD LET
PATRONS GET A GOOD VIEW OF THE GOLDEN EARS, THE COQUITLAM VALLEY, MT. SEYMOUR
AND MT BAKER.

YOU MIGHT SAY IMPOSSIBLE. IT IS - IF YOU DON'T TRY.

WHAT I SUGGEST IS: THAT YOU ACCEPT THESE IDEAS AND ADD TO THEM. ATTACH A
PRIORITY OF EXPECTANCY TO EACH, THEN SET OUT TO DO AS MUCH AS YOU CAN.
PROMOTION IS THE MAIN THING. PEOPLE WILL SUPPORT IDEAS IF THEY KNOW ABOUT THEM
AND IF THEY UNDERSTAND THE PURPOSE. THEY WILL EVEN GIVE AND RAISE MONEY - IF
EFFICIENTLY CONVINCED.

PRINT CIVIC PRIDE ARTICLES IN ALL CITY BROCHURES. USE 'CIVIC PRIDE' PROMOTION
RUBBER STAMPS ON ALL MAIL GOING OUT FROM CITY. SELL SIMILAR RUBBER STAMPS FOR
CITIZENS TO USE.

START ON SOMETHING RIGHT AWAY. DON'T LET TIME SLIP BY. DON'T LET THE NEEDS OF
TODAY CLOUD YOUR VISION OF THE FUTURE. KEEP THE TOTAL LIST BEFORE THE
PUBLIC.

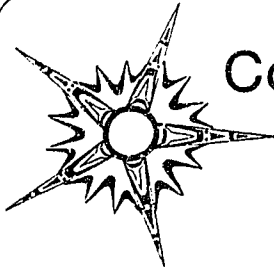

RESPECTFULLY SUBMITTED,

Len Cuddeford

Dear Len:

The Coquitlam Area Fine Arts Council will be undergoing major changes within the next six months, and is enlisting the participation of the municipalities under the Arts Council umbrella.

The name of Coquitlam Area Fine Arts will change at the September Annual General Meeting on Wednesday, September 16, 1992 at 7:00 at IoCo Recreation Centre Room C. This name will be more representative of the area which includes Anmore, Belcarra, Coquitlam, Port Coquitlam and Port Moody.

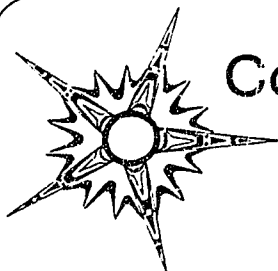

Further to the Coquitlam Area Fine Arts Council goal of equal area representation, the Board of Directors is soliciting nominations to the Board for area representatives who will act as liaison between the Arts Council and the municipalities they represent. Any interested individuals are invited to send a resume to the above address or fax to 931-4214. We ask your assistance in directing this invitation to appropriate individuals within your community.

Another action taken to meet the goal of equal representation is to recognize the artists residing in their communities with the creation of a new award. Nomination forms are enclosed for the "Excellence in the Arts" award. This award will be presented by one of your municipal officials at the Coquitlam Area Fine Arts Council Awards Banquet, Friday, October 30, 1992.

The Award will be an original work of art created by internationally recognized glass sculptors Marina Papais and Neil Godfrey, and be presented to an artist in your municipality who has achieved "Excellence in the Arts." These nominations can also be mailed or faxed.

We have pleasure in enclosing a fact-sheet giving brief background information concerning our society. We are supported by those Members of Parliament and Members of the Legislative Assembly whose constituencies are on the National Centennial Trail.

As the Trail runs through your Municipality we would respectfully request that your Municipality support the principle of a trans-provincial trail as part of the National Trail of Canada through a resolution moved in Council.

We have taken the liberty of enclosing a form of supporting resolution for your interest although a short letter of support from you would be a very welcome alternative.

Please do not hesitate to have your staff contact us should you require any further details. The Trust thanks you in advance for your kind attention to this matter.

SUBJECT: PEACE PARKS ACROSS CANADA - LEGACY OF CANADA 125

On May 29, an ambitious CANADA 125 project was launched which has as its goal the dedication of 250 Peace Parks in communities across Canada from Victoria, British Columbia to St. John's, Newfoundland.

The linkage of communities across Canada through the dedication of Peace Parks will be an expression of our common desire to learn more about one another, our land, our heritage, our neighbours in Canada and the Global Village, and "Our Common Future".

The Parks will be dedicated on October 8, simultaneously with the dedication in Ottawa of a national "Peacekeeping Monument" commemorating Canada's active role in U.N. peacekeeping missions around the world. Drawing on the ancient tradition of the "bosco sacro" - a grove of twelve trees will be an integral part of the Peacekeeping Monument.

Similarly, the Peace Parks dedicated across Canada, will each have a grove of twelve trees - a "Peace Grove", symbolic of the life, creativity and hope for the future that thrives in peace.

Dedication of the parks will provide an occasion to enhance public awareness and education, particularly among our young, regarding the historical role of Canadians as peacekeepers and Canada's commitment to world peace and environmental protection.

"Peace Parks Across Canada" was launched on May 29 with the dedication of Peace Groves in Victoria Park, Charlottetown, P.E.I., (Home of Confederation); Seaforth Park, Vancouver, B.C.; and Waterton Glacier International Peace Park, Alberta - the world's first international peace park.

Several parks across Canada will be dedicated by the Governor General of Canada as part of CANADA 125 celebrations.

The project offers a unique opportunity for the Mayors and Reeves of Canada to join together in creating a truly significant legacy of CANADA 125.

AUG 10 1992

"Peace Parks Across Canada" is a CANADA 125 project being organized by the International Institute for Peace through Tourism, in collaboration with the National Capital Commission.

The project has the support of the Federation of Canadian Municipalities, Heritage Canada, Canadian Parks/Recreation Association, Friends of the Earth, World Wildlife Fund Canada, Rotary International, the Tourism Industry Association of Canada, and the Canadian Society of Landscape Architects.

Sponsors include VIA Rail, Greyhound Lines Canada Ltd., CP Hotels and Resorts, Westin Hotels and Resorts, Four Seasons Ltd., Meridien Hotels, Ramada International Hotels and Resorts, Concept 3 Advertising, and Programmed Communications Ltd.

The International Institute for Peace through Tourism intends to extend the project internationally following the October 8 dedications. This is in keeping with a recommendation of the First Global Conference: Tourism - A Vital Force for Peace, held in Vancouver, October 1988. The Conference, organized by the Institute, attracted 800 participants from 67 countries.

Your support and participation are invited in this exciting project. We would request that you select an existing park, for dedication as a "Peace Park" along with a "Peace Grove" of 12 trees. Dedications will take place in communities across Canada on October 8, 1992 simultaneously with the dedication of the Peacekeeping Monument.

Workshops will be scheduled in 15 cities across Canada, during July and August, to fully brief community leaders or their representatives on the project.

Peace Parks Across Canada

URTURING THE GROWTH OF PEACE

Imagine a Place for Peace...

...an existing park in your region or community, dedicated and acknowledged as a 'place for peace'. A public sanctuary where peace is truly the order of the day. And your park would represent a seed - planted to inspire and spread the growth of peace throughout your community...and beyond...and beyond.

Now imagine a similar place of peace planted in every Canadian community with peace at its very heart.

Be part of making this happen...

Join the Peace Parks Across Canada project and dedicate an existing park in your community or region as a 'Peace Park' on the occasion of Canada's 125th anniversary. What a meaningful testament to peace - especially during this significant year.

Each Peace Park will have a 'Peace Grove' of 12 trees representing our provinces and territories and symbolizing the life, creativity, and hope for the future that thrives in peace.

On October 8th, 1992, a national 'Peacekeeping Monument' will be unveiled in the Nation's Capital as a tribute to Canada's active role in peacekeeping around the world. A circular 'Peace Grove' will be an integral part of the design.

Be part of this national program and dedicate a Peace Park on October 8th, 1992, simultaneously with the unveiling in Ottawa of the Peacekeeping Monument.

Peace Parks - An inspiration that grows

The dedication of Peace Parks will provide an occasion for your community to enhance public awareness and education, particularly among our young, regarding the historical role of Canadians as Peacekeepers and Canada's commitment to world peace and a healthy environment.

A link between communities across Canada will be established through the dedication of Peace Parks as an expression of our common desire to learn more about one another, our land, and our heritage. The Peace Parks Across Canada project will

grow over time reaching out to the Global Community to perpetuate our universal desire for peace.

The Roots of Peace

Peace Parks Across Canada is rooted in a recommendation of the First Global Conference - Tourism A Vital Force For Peace, held in Vancouver, October 1988, organized by the International Institute for Peace through Tourism. The recommendation called for an international program of 'Places for Peace'.

The International Institute for Peace through Tourism is a registered charitable organization dedicated to fostering and facilitating tourism initiatives which contribute to international understanding and co-operation; an improved quality of environment - both built and natural; the preservation of heritage, and the World Conservation Strategy of 'Sustainable Development'.

The Institute plans to extend the Peace Parks project internationally as a continuing legacy of CANADA 125.

Partners for Peace

Peace Parks Across Canada is a Canada 125 project being organized by the International Institute for Peace through Tourism, in collaboration with the National Capital Commission.

The Project has the support of the Federation of Canadian Municipalities, Canadian Parks/Recreation Association, Heritage Canada, Friends of the Earth, World Wildlife Fund Canada, Rotary International, The Canadian Society of Landscape Architects, the Tourism Industry Association of Canada, and others.

Sponsors include VIA Rail, Greyhound Lines of Canada Ltd., Canadian Pacific Hotels and Resorts, Westin Hotels and Resorts, Ramada International Hotels and Resorts, Meriden Hotels, Four Seasons Ltd., Concept 3 Advertising, and Programmed Communications Ltd.

Workshops

A series of workshops will be conducted by the Institute in cities across Canada to provide background and information about this national project and assist community representatives in preparing dedication ceremonies for a Peace Park and community involvement.

VIA Rail and Greyhound Lines have agreed to provide participants with complimentary transportation to workshops in areas served by their networks. Arrangements have also been made with bus lines in several provinces not served by Greyhound.

Participating municipalities will be announced in a media conference following each workshop.

THE CORPORATION OF THE
CITY OF PORT COQUITLAM

MEMORANDUM

July 27, 1992

TO: Janna Taylor, Parks & Recreation Director

FROM: Larry J. Wheeler, Recreation Manager/Deputy Director

SUBJECT: No Parking - Yellow Curb Line (Entrance/Exit to PoCo
Rec Centre from Wilson Avenue)

Recommendation:

It is recommended that the Parks & Recreation Committee forward a recommendation to the Public Works Committee that the yellow curb line on either side of the entrance/exit on Wilson Avenue into the PoCo Rec Centre be extended.

Purpose/Problem:

The purpose of this report is to provide the Parks & Recreation Committee with information and a recommendation regarding the issue of no parking zones on either side of the entrance/exit into the PoCo Rec Centre off of Wilson Avenue

Background & Information:

Since the Wilson Centre Family Practise and Sport Physiotherapist has opened on Wilson Avenue, exiting the PoCo Recreation Centre has become increasingly difficult. Vehicles regularly park on either side of the exit and make exiting the parking lot very dangerous.

Staff feel that extending the "no parking" zone on either side of the exit will partially resolve the situation.

Dear Sirs:

Re: July 26, 1992 Use of Lions Park

This letter is written to express the City's extreme displeasure with C.P. Rail's conduct at the above mentioned company picnic.

As you know from your discussions with City officials prior to entering into a Licence Agreement to use Lions Park, the City does not grant exclusive use of its parks, other than the picnic area.

You specifically requested such exclusive use and were denied.

Subsequent to that, we entered into a Licence Agreement with you, at your request, which provided as a condition of use that: "you do not have sole use of the Park".

Notwithstanding the express verbal understanding and the contractual term, we have been advised that you breached the contract and prohibited the public from access to the Park, through the use of C.P.R. security personnel and by roping off public areas. We now invite you to offer to the City and, through the City, to other residents of the community an apology for your actions, failing which the City might consider pursuing legal remedies available to it.

Yours truly

Dear Janna:

Re: Lions Park
Our File No. 1262

Further to your request, we reviewed the City's Licence Agreement with C.P. Rail to utilize Lions Park for picnic purposes and the other materials you forwarded to us.

It would seem clear from the materials we reviewed that C.P.R. breached the Contract with the City for use of the Park and, worse still, appears to have done so deliberately and willfully after having been directed by the City specifically to not prohibit the public from having access to the Park. As we understand it from our telephone conversation, this was not even done inadvertently or indirectly, but through the use of C.P.R. security personnel.

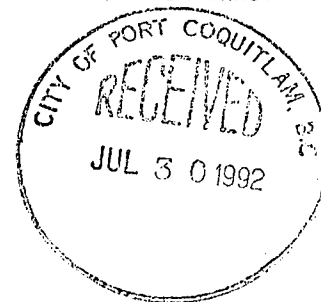

The City may well have a valid claim against C.P.R. in respect of breach of contract or, alternatively, perhaps trespass through use of the lands in a manner which was clearly not permitted by the City.

The difficulty would be in proving any damages suffered by the City. It is however possible that a Court might award punitive or exemplary damages as a result of C.P.R.'s conduct in view of the fact that it was clearly put on notice that it was not to exclude the public from the Park, which it then simply ignored.

In terms of actions other than Court action, the City could of course refuse further requests for such licence agreements that might be made by C.P.R. and could in addition, either directly or through our firm, write a letter expressing

Mayor L. Trauboulay,
City of Port Coquitlam,
Shaughnessy Street,
PORT COQUITLAM.

Dear Mayor Trauboulay:

CP Rail, in the Port Coquitlam area, has decided to hold a FAMILY DAY picnic on Sunday, July 26th, 1992. To this end, we have reserved a portion of Lion's Park for that day.

The purpose of my letter to you is twofold - first to request that the week of July 20 - 26 be declared "CP Rail Week". If such a request is granted, we propose to place a large banner across the Shaughnessy Street overpass.

Our second request is for the entire Lion's Park for July 26th. We were able to reserve only the cooking facilities of the park. As we expect somewhere in the neighbourhood of 2000 people, just having one small corner of the park would not be sufficient.

Any assistance you can give us as good Corporate citizens of Port Coquitlam and as a major contributor to the community, would be most appreciated.

Yours very truly,

Superintendent.

CP 'park take-over' draws mom's ire

PoCo parking, toilets off-limits during picnic

By Sandy Macdougall
Staff Reporter

CP Rail employees enjoyed a company picnic Sunday at Lions Park but the day was ruined for one Port Coquitlam mom who wanted to celebrate her son's second birthday in the park. Karen Groulx arrived at the park to find a CP Rail employee barring entrance to the parking lot for all but other CP employees.

"I had my son and mother with me and they told us we had to park somewhere else and walk," said Groulx.

Groulx later discovered that rail-roaders had commandeered all but

two picnic tables and had roped off the public washrooms for exclusive use by CP Rail employees.

"It was great for their employees, but not so hot for the rest of us," said Groulx.

"They didn't handle it very well and it wasn't very nice of them," Groulx complained Monday to city officials and was told that CP Rail had applied for exclusive use of the park but permission wasn't granted.

"It's a public park," she said. "They just can't do that."

Groulx claimed CP Rail ignored the refusal to grant exclusive use of the park and proceeded with its own plans "because it was Sunday and none of the city's bylaw enforcement people were working."

City officials acknowledged they have received several complaints about the picnic from irate citizens but it is not known what action will be taken.

Dear Ms. Langan:

As you are aware, from time to time, the Government of Canada recommends to Her Majesty that commemorative medals be struck to mark an important anniversary or a special occasion. Such medals were created for the centennial of Confederation in 1967, and for the 25th anniversary of Her Majesty's reign in 1977. This year, Her Majesty has approved the striking of a commemorative medal to mark the 125th anniversary of Confederation.

The medal is intended to be given to honour persons who have made a significant contribution to their fellow citizens, their community or to Canada.

I am pleased to inform you that you are being granted a personal allocation of 40 medals for presentation to deserving citizens in your riding.

The Governor General, the Prime Minister, Cabinet Ministers, Lieutenant-Governors, provincial and territorial governments, territorial Commissioners, Senators, other Members of Parliament and national organizations are also being given an allocation. Holders of the Victoria Cross, the George Cross, and the Cross of Valour, as well as the Companions, Officers and Members of the Order of Canada will also receive the medal directly from the Chancellery.

In recommending the creation of this medal, the Government proposed that the recipients should reflect the diverse nature of Canadian society and that the medal be awarded to persons from different professions, ethnic origins and cultures. A set of criteria is enclosed to assist you in selecting appropriate nominees.

I would be grateful if you would send your list of recipients to the Chancery as soon as possible. The list should include the full names, rank or title, and addresses of the recipients. This information is necessary to avoid duplication. The enclosed form should facilitate your work. Once your list is received, medals and accompanying certificates will be sent to you for presentation in as short a period as possible.

Distribution of the medals should begin on September 1 and the distribution should be completed by December 31, 1992.

Medals should be personally presented to recipients rather than sent by mail. You may wish to organize special presentations for medal recipients. To assist you in planning such events, I have enclosed additional material for your information.

If you require additional information, please write to me at Rideau Hall, 1 Sussex Drive, Ottawa, Ontario, K1A 0A1.

With kindest regards, I remain,

Yours sincerely,

**RECOMMENDATIONS
FOR
THE SELECTION OF RECIPIENTS**

The creation of this medal was aimed at recognizing Canadians from all walks of life for their effort in making Canada a better place to live. The eligibility criteria were therefore left general:

- a. the medal may be given to honour persons who have made a significant contribution to their fellow citizens, their community or to Canada
- b. the medal may not be awarded to a person who died prior to January 1, 1992

The selection criteria were left at the sponsors' discretion, whose good judgement and fairness should ensure a judicious list of recipients. Based on the experience acquired through the issue of previous commemorative medals, the following recommendations are made for your consideration:

- a. select persons whose achievements or contributions are clearly appreciated by large segments of the population
- b. ensure that the list of candidates is representative of the regional population; therefore, it should be composed of persons from various cultures, occupations and fields of endeavour
- c. avoid nominations which could be misinterpreted by the media and public (i.e., nominations of family members, close friends or associates, nominations within one political party only, or within one group of society)
- d. ensure that the persons you nominate are exemplary citizens whose lifelong performance justifies the honour bestowed

QUESTIONS AND ANSWERS

1. Why was the Commemorative Medal created?

The Commemorative Medal has been created to mark the 125th anniversary of the Confederation of Canada. It honours Canadians who have made a significant contribution to their fellow citizens, their community or to Canada. Similar commemorative medals were created to mark Canada's centennial in 1967 and Her Majesty's Silver Jubilee in 1977.

2. How many medals will be awarded?

A total of 40,000 medals will be awarded.

3. Who will receive the Commemorative Medal?

The Commemorative Medal will be presented to a total of 40,000 Canadians who have made a significant contribution to their fellow citizens, their community or to Canada.

4. Who will select the Canadians to receive the Commemorative Medal?

To ensure a wide distribution to Canadians from all walks of life, allocations of the medal have been issued to the Governor General, the Prime Minister, Lieutenant Governors and Commissioners, Provincial Premiers, Cabinet Ministers, Senators, Members of Parliament and national organizations for distribution. These individuals and organizations will select worthy recipients. The Chancellery of Government House will maintain a central registry to prevent duplication of awards.

5. Who can nominate someone for the medal?

There is no central nomination system. The medal is meant to reflect different types of achievement in different communities. That's why medals are being sent to elected officials at both the federal and provincial level, as well as to national organizations. Each is free to manage the selection process in his or her own way while respecting the criteria established in the Regulations.

6. Why were quantities of the Commemorative Medal allocated to various persons and organizations for distribution?

The allocation method, also used in 1977 for the Queen's Jubilee Medal, ensures provincial and local distribution to deserving Canadians of all walks of life from coast to coast. Recipients are selected by people from the community who are in the best position to identify worthy recipients.

7. Why are more Commemorative Medals being distributed this year than were distributed in 1967?

The population has grown and changed since then. In 1967, many medals were given automatically to public servants, and members of the police and armed forces. The aim this time is to recognize Canadians from different walks of life who have done something special for their community.

8. Why was the Canadian Government able to issue this medal so quickly when Korean veterans had to wait 40 years to get their medal?

Canadians who served with the Canadian Armed Forces in the Far East in the 1950's received the Canadian Korea Medal at that time. The Canadian Volunteer Service Medal for Korea was struck in 1991 as a second medal to signify the volunteer status of Korean veterans.

9. Why did it cost more for this medal than the Korean and Gulf Medals combined?

More medals are being produced. The actual unit cost of producing and distributing each individual medal should be slightly lower because of easier distribution methods and a larger medal purchase order.

10. How much did the medals cost?

Production cost for the initial contract of 1,500 medals was \$13.90 per medal.

**SUGGESTIONS
FOR
PRESENTATION CEREMONIES**

GENERAL

Once the sponsor is in receipt of the medals, he/she should advise the nominees that they will be awarded the medal at a ceremony, the scope of which should be made known to the recipients. This is an ideal opportunity to advise them of such concerns as the scenario for the ceremony, guests list and dress for the occasion.

It is recommended that one person be appointed to oversee all aspects of the presentation ceremony to provide a focal point for the event and perhaps act as Master of Ceremony for the presentation.

SCENARIO

This suggested scenario will have to be adapted to the formality of the ceremony and the number of people attending:

- a) guests and recipients are met by the host(s)
- b) if formality and extent of the ceremony dictates, recipients may be taken aside and briefed on procedures
- c) arrival of dignitaries
- d) presentation of medals
 - 1) introduction (recommended speaking notes attached)
 - 2) presentation of each medal and reading of accompanying citation (description highlighting the reasons why an individual is being honoured)
- e) closing address by the host or other appropriate dignitary
- f) national anthem
- g) reception
