

CORPORATION OF THE CITY OF PORT COQUITLAM

PARKS & RECREATION COMMITTEE

A meeting of the Parks & Recreation Committee was held in the Parks & Recreation Office on Wednesday, February 21, 1990 at 1:00 p.m.

In attendance were Alderman Mike Gates and Alderman George Laking.

Also in attendance was K. Janna Taylor, Parks & Recreation Director.

Item No. 1

Shimizu Sawmill - Landscaping Request

The Parks & Recreation Director went over the two developments that are being proposed by Shimizu. The first site is known as the I-line site, in this proposal they are requesting that we participate in the landscaping along the dyke. In the sawmill proposal there is concern because we do not own the dyke and we need to have an easement on the dyke. Committee members were concerned about the landscaping in regards to the site and have requested some clarification.

Recommendation

That a further report be forthcoming from the Parks & Recreation Director.

Item No. 2

Angelo Avenue - Trees

The Parks & Recreation Director indicated that the property in question on Angelo Avenue for tree removal was incorrect in the first time it was brought to Committee. Therefore we are now dealing with the request of the triangular piece of land and the costing is being done.

Recommendation:

That the report be received.
