

CORPORATION OF THE CITY OF PORT COQUITLAM

PARKS & RECREATION COMMITTEE

A meeting of the Parks & Recreation Committee was held in the Heritage Room at City Hall on December 7th, 1989 at 4:45 p.m.

In attendance were Alderman Mike Gates and Alderman George Laking.

Also in attendance was K. Janna Taylor, Parks & Recreation Director.

Item No. 1 1990 May Day - Kinsmen Request for a Rubber Ducky Race

Please see attached comments on the agenda.

The committee members did have concerns about having a beer garden on that day and felt it was necessary to have representatives from the Kinsmen Club come and speak.

Recommendation:

That Cyrille Barnabe be invited to the next committee meeting.

Carried

Item No. 2 Skyline Park

The Parks & Recreation Director brought up the subject of Skyline Park and the encroachment on the park by the house at 1309 Eastern Drive. Mrs Rutherford has spoken with the Parks & Recreation Director about keeping the retaining wall on the park. Both Alderman Laking and Alderman Gates indicated that they would like to have a look at the site before making any decisions. It was brought to the attention of the committee that Mrs. Rutherford has been working in conjunction with the developer over the past few months and apparently suing them for problems that she perceives were created by the developer. It may be more appropriate for the city not to get involved in any encumbrances on the park.

Recommendation:

That this particular item be brought back to the committee after Alderman Laking and Alderman Gates have viewed the property.
