Dear Bob,

It is our pleasure to enclose the names of the Port Coquitlam Marlins who placed 1st, 2nd or 3rd at the Provincial championships, that were held in Victoria, B.C. this year.

We ask that the names of the swimmers below be submitted to city council for approval to receive civic awards. We hope this matter can be dealt with as soon as possible, so as not to create the backlog that was realized last year.

We would like to thank the P.C.A.R.A. and the city of Port Coquitlam for recognizing these 12 swimmers.

Dear Ms. Taylor

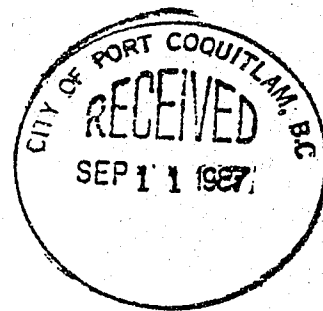

I am writing this letter as suggested by Mr. Fred Peters City Engineer regarding installation of a chain link fence. Our property backs on to Cedar Park, because of the ball players using our fence as a back stop, climbing it to retrieve balls, and vandalism we must replace parts of our fence for the third time. We now wish to install a chain link fence as we feel this will be much more sturdy for the kind of abuse it now takes. As it is only right for a neighbour to share the cost of the fence we are approaching you to help in the cost of putting in 100 feet of chain link fence.

Please respond as soon as possible.

yours for a better neighbourhood

MEMORANDUM TO: K. Janna Taylor, Parks & Recreation Director

MEMORANDUM FROM: Larry J. Wheeler, Recreation Manager

SUBJECT: Kinsmen Auction -  
Request to Waive Hyde Creek Rental Fee

-----  
Purpose/Problem:

To review the Kinsmen's request for free use of Hyde Creek on November 27th, 1987 for their fund raising auction and prepare a recommendation for the consideration of the Parks & Recreation Committee.

History/Background:

On November 27th, 1987 the Kinsmen are planning to hold an auction at Hyde Creek. They are also interested in selling food, wine and beer in the lounge area. All proceeds from this event will be contributed towards the Kinsmen's Water Park project at Sun Valley Park.

Alternatives:

There are three basic alternatives:

1. We can approve the Kinsmen's request for free use of the Hyde Creek Recreation Center facilities.
2. We can refuse the Kinsmen's request for free use of Hyde Creek Recreation Center facilities.
3. We can suggest some alternative, such as a reduced rental fee.

Financial Implications:

Waiving of the rental fees for this event, results in a possible loss of revenues in the neighborhood of \$1,000.00. In addition we would have to absorb all costs related to operating and cleaning up the facility, including staff for most of a day.

SEP 22 1987...2

Citizens/Public Relations Involvement/Implications:

It is unlikely that the citizens of Port Coquitlam would object to the waiving of fees for this event. Proceeds from this event will be used for a project that will positively impact the quality of life in this community.

Other:

The Kinsmen would also like to use the upstairs lounge area and the outside patio for the sale of food and beverage. In addition, the Kinsmen will need to utilize various pieces of equipment, (i.e. tables, chairs, stage, etc.).

I believe the Kinsmen would be willing to assist with clean-up, (i.e. washing table tops, picking up major garbage, etc.) which would help reduce the impact of not charging a rental fee for this event.

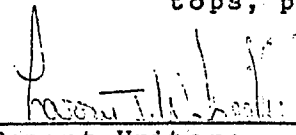

Conclusion/Summary:

On November 27th, 1987 the Kinsmen are hosting an auction at Hyde Creek Center. Proceeds for the event will be credited to the construction of the water park at Sun Valley. To ensure that the Kinsmen are able to maximize the revenues generated for this worthy project, they have asked the City to waive all rental fees. The Kinsmen would also like permission to serve food and beverages, (including beer and wine), in the upstairs lounge area.

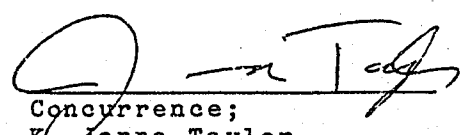

Recommendation:

It is recommended that the Kinsmen;

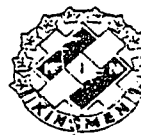

1. Be given free rent of Hyde Creek for the purpose of holding an auction on November 27th, 1987.
2. Be allowed to sell and serve food and beverages, (including beer and wine), in the upstairs lounge area and outside patio.
3. Be requested to help with clean-up, (i.e. washing table tops, picking up garbage, etc.)

Dear Larry,

Further to our meeting last week concerning the forthcoming Kinsmen Auction at Hyde Creek. I would ask that the city waive the rental fee for this event in due consideration that the proceeds from the auction are going to the water park.

I would also appreciate your confirmation that we can use the room upstairs for serving food and beverages. It would be our intention to serve wine and beer in the area overlooking the pool. For this we would require tables and chairs.

Also regarding the auction, I would require a stage for the auctioneer and also a number of tables and a large quantity of chairs.

I sincerely appreciate all the help and cooperation we are receiving from your department.

Yours truly,
