

CORPORATION OF THE CITY OF PORT COQUITLAM

PARKS & RECREATION COMMITTEE

A meeting of the Parks & Recreation Committee was held in the Council Chambers on Wednesday, September 11th, 1986, at 3:45 p.m.

In attendance were Alderman George Laking and Alderman Mike Farnworth.

Also in attendance was K. Janna Taylor, Parks & Recreation Director.

CONFIRMATION OF MINUTES

That the minutes of the meeting of the Parks & Recreation Committee held on Wednesday, September 3rd, 1986, be taken as read and adopted.

Item No. 1      Time Clock

The Committee discussed the offer from C.C. Bottling Company Limited. The clock that they are proposing to give us is similar to the one in the new arena. Many problems have been experienced with the present time clock in the "new" arena and we do need a new one.

Recommendation:

That we accept the offer of a time clock from Coco Cola and that we sign the contract.

CARRIED

Item No. 2      Industrial Directing Sign

The attached memorandum from Bill Brown was discussed by the Committee. There was no problem with locating the sign on the Recreation Centre site as long as the location was close to Kelly Avenue. Some concern was expressed in regard to vandalism at this location.

Recommendation:

To approve the sign being placed at the PoCo Recreation Centre site.

Item No. 3

Teen Dances

The following report was given to the Parks & Recreation Committee by Janna:

I have discussed the aspect of teen dances with both Darlene Grieve and Joanne Edey Nicoll. As you are aware, both of these staff have, in the past, been responsible for the running of teen dances for the Parks & Recreation Department. It is agreed that there is definitely a need for teen dances in Port Coquitlam; presently there is not much available for teenagers in Port Coquitlam. It is not appropriate to have teen dances sponsored by individuals at this time.

If we are to seriously address this problem of providing good activities for our youth, we need to hire a youth worker. Other Parks & Recreation Departments, such as Maple Ridge and Surrey, have been seriously addressing the area of youth over the past years. We can choose to ignore our youth and do nothing or we can take a positive step forward and put money aside in next year's budget.

Recommendations (From Janna Taylor)

1. That we put monies in the 1986 provisional budget to hire a youth worker.
2. That the sponsoring of teen dances be by the Parks & Recreation Department and that these be instituted in 1987 (maximum four).

Much discussion took place with regard to the report. Committee felt that recognized community organizations should be permitted to host a teen dance. As to the aspect of a teen worker, the Committee had some reservations; however, they were prepared to support the concept that this be included in the provisional budget. With regard to teen dances, the Committee did support the proposal to sponsor two or three by the department in 1987.

SEP 11 1986

Recommendation:

1. That teen dances may be sponsored by a recognized community organization.
2. That the Parks & Recreation Department sponsor two or three teen dances in 1987.
3. That individuals not be permitted to sponsor teen dances.
4. That monies be put in the 1987 provisional budget for a youth worker.

Item No. 4

Routley Park

The various problems at Routley Park were discussed. Alderman Farnworth went over the community meeting held at Birchland Elementary on Friday, September 6th, 1986. He indicated that the residents were concerned with the amount of youths who congregate in the park and cause vandalism. Janna indicated that the parks crews have had to clean up the park on Mondays as there is a lot of garbage after the weekends; we also had to paint the Routley learner pool building due to vulgar language being painted on the walls.

Alderman Farnworth went over the various suggestions which came forth at the meeting:

1. Locate additional lights in appropriate places.
2. Take down the hedge by the fence.
3. Trim the branches on the trees close to the lamp by the playground equipment.
4. Dig out the stump.

Janna will get costings in regard to the removal of the hedge and the installation of another light.

August 21, 1986

Dear Mr. Heffer;

In consideration of Port Coquitlam Arena purchasing only the soft drink products of C.C. Bottling Co. Consolidated Ltd., we will loan one (1) Scoretec 770 Hockey Scoreboard complete with Coca-Cola advertising to Port Coquitlam Arena for a period of six (6) years.

The total cost to C.C. Bottling Co. Consolidated Ltd. will be \$6,695. Installation costs will be borne by Port Coquitlam Arena.

However, in the event that Port Coquitlam Arena wishes to discontinue purchasing C.C. Bottling Co. Consolidated Ltd.'s products on an exclusive basis, then Port Coquitlam Arena agrees to purchase the Scoretec 770 at a pro-rated value of 1/72nd of the total cost for each month remaining of the six year period.

It is understood that the Scoretec 770 scoreboard will become the property of Port Coquitlam Arena at the end of six (6) years.

Maintenance will be the responsibility of Port Coquitlam Arena.

THE CORPORATION OF THE  
CITY OF PORT COQUITLAM

MEMORANDUM

TO: Janna Taylor  
Parks & Recreation Director

DATE: September 5, 1986

FROM: W. Brown  
Director of Community Planning

RE: Industrial Directory Signs

.....

In reviewing potential locations for the Mary Hill Industrial Signs, the best location for the west Kingsway entry was found to be beside the Recreation Centre. Other locations considered were beside the City Yards and further north beside the B.C. Hydro Substation. The second two locations were discarded because of visibility problems, tenure in the case of the Court House site and access for burglars in the case of the Works Yard site.

This sign is proposed to be displayed for a four year term. The location proposed is in front of the smallest tree along Kingsway south of the Recreation Centre parking lot entrance.

As this sign affects the Parks and Recreation Department programme your concurrence and the agreement of your Committee of Council to this proposed sign is requested.
