MAY 8 1985

Item No. 4 P.C.A.A.A. Items

Alderman Wright brought several items to the attention of the committee.

- a) Tug-of-war
To be held at McLean Park on Sunday, May 12, at 2:30 p.m. Teams made up of 7 women and 7 men. Janna said she would inform female staff about the event, however, could not promise any staff.
- b) Portable goal posts for Evergreen Park.
When will they be put up? Janna will talk to Bram to have posts put up as quickly as possible.
- c) P.C.A.A.A. Storage Shed
Apparently there is a leak. Bram will look into it.
- d) Paint for Arena Building
Janna will write to P.C.A.A.A. to get clarification as to what part of the building they are speaking of. P.C.A.A.A. might be interested in purchasing the paint.
- e) Thompson park
Concern expressed that the pipes are moved to do work on the field and then not replaced. They are concerned that cars will drive onto the field. Janna will pass this information onto Bram.
- f) Limers
Complaint that they are not where they are supposed to be. Janna explained that it is not the Parks & Recreation Department's responsibility to run after the organizations to try and find them. At the beginning of each season the limers are placed in their proper place. The leagues are asked to co-operate and ensure that the limers remain in their proper locations.
