## *Artistic Asymmetry*

Elegance of the  
unexpected.

Surprising lines. Why  
after all should one  
side of a jacket  
regimentally equal  
the other?

Break ranks in our  
suit of luxuriously  
soft pure merino  
wool!

Choose between white,  
black, willow and  
blueberry. \$395.

## *BLUSTER- PROOF*

You can stand up to any sort of bluster in this alpaca and wool coat! We have black, camel and navy. \$450. The cloth, by the way, is from Baur Foradori who have been weaving it in Innsbruck since 1814. They use alpaca from South America because it is so water repellent.

The same style also comes in pure wool for \$435.

# PURE SILK GLAMOUR

Take silk crepe de chine. Make sure it has good body--at least, 18 mummy. Then, take it double for even better body. Give the neckline and hemline an interesting slash. Use jewel-like colours, jade, lapis lazuli, turquoise and you have the perfect holiday dress! As photographed, \$350. In two pieces, \$450. Floor length, \$450.

*For your festive moods,* a confection  
of teal silk satin with navy, violet, and copper stripes and dots.  
Blouse, \$185. Skirt, \$330. Belt/scarf, \$85.
