SPRIGGIDY SPRIGGIDY SPREE !

Pied Beauty

Glory be to God for dappled things--
For skies of couple colour as a brindled cow;
For rose-moles all in stipple upon trout
that swim;
Fresh-firecoal chestnut falls; finches wings;
Landscape plotted and pieced--fold, fallow
and plough;
And all trades, their gear, tackle and trim.

--Gerard Manley Hopkins.

Dance a fairy dance in the
garden of life with our fine
lawn dresses. Multi-coloured.
Full and not-so-full skirts.

The ethos of Lore Maria Wiener Ltd.

is not only the presentation of an honest craftsmanship but also the expression of a virile elegance. We feel, therefore, that it is only fitting if from time to time we take the liberty of acquainting you with either of the two wherever they may be found--in books, plays, magazines, or films. We hope that you will enjoy the addition of the first such "introduction" in our news bulletin.

Spend an evening with Garbo at the Hyland Theatre. Garbo is still magnificent. Even under the scrutiny of today's eyes and ears her talents appear untarnished. She articulates personality with the eloquence usually reserved for our finest lyric poetry. Every gesture, every movement, every hesitation, every unreserved flow of emotion is disciplined to the rhythm of the unfolding character. Garbo's craft is a taut, spare, and knowing one. She acts with strength and surety, with a command of performance rarely equalled. She is a compelling master of her art. In short, Garbo is magnificent.
