This fall, we link the shape of cufflinks with their cuffs! Enamel on pewter. In French blue, purple, teal, amethyst, lapis lazuli, or onyx.

The rounded cufflinks above are \$55. Their curvilinear blouse is pure silk, \$290.

The triangular cufflinks on the left are also \$55. Here they are coupled with a two-piece dress in Italian herringbone wool/silk for \$560.

They'll never forget you if you accessorize
your coat with an LMW applique belt! In addition to the rich combination
photographed here, we created a satisfying collage in olive, blue and sage.
