MAY NOTES

I'd like to take just a little time and space to inform you about our current stock.

FRENCH IMPORTS:

Trim Lycra bathing suits, both one-piece and bikini, in a variety of sizes. The one piece are available in a green print, blue and green print, blue and white print, purple and navy blue. The bikinis come in black, wet-look brown, purple, red, navy, and turquoise. (\$21-\$31)

L.M.W. DESIGNS:

Cotton knit shirt waist dresses, with belts, short sleeves are to be found in black, brown and navy stripes, pink, navy, neutral beige (with gold buttons.) \$125.

Cotton non-knit dresses are of two styles. There are shirt waist dresses with long sleeves, belts. \$125. Also sleeveless V-neck, closing with domes on the side and belted. \$65.

Cotton knit tops of ribbed cotton with short sleeves. They are available with turtle necks in chartreuse, magenta, navy, and pink. With shirt collars they come in slatey blue, and green and white stripes. \$25-\$27.50

Traditional-as-Jeans-Cotton Suits are to be had in two styles this summer. One has a jacket with a zipper in the front and crafted metal accessories. The other has a safari jacket, four pockets. Domes to close. Of rather a longer length than the first. The suits are available in a variety of weights of fabric and a variety of colours--royal blue, mist blue-green, brown, grey, yellow, denim blue. \$ 165-175.

And Longuette. Begin your assault on the new look with one of our mid-calf skirts in wool or light crepe. Buttons on the side. You will see that the longer length creates a slender silhouette and is quite complementary. I think you will find that the long skirts do look best with darker stockings, and not those orthopedic shoes... A slender more elegant shoe is called for. The skirts come in navy, brown. \$60-80.

More Longuette. There is in the store at present a sample collection of our longer length clothes. In a ribbed (Racine) wool knit, coats. Excellent for cool summer nights and fall days. Also there are some short sleeved and long sleeved dresses in ribbed wool knit. For evening wear, clinging silk knit dresses with short sleeves or sleeveless. U-necklines. These items run in colours in the sample collection from putty white to navy and black. Other colours are available, however.

One rather more glamorous piece in the same longer length is a navy blue coat of a heavy wool jersey with a rich Canadian sable collar and cuffs.

Miscellaneous. For comfortable at-home entertaining we have a ribbed wool knit jump-suit. A shirt collar, buttons down the front, belt with oxidized silver buckle, long sleeves. A variety of colours are available--light blue, putty white, pink, black, navy.
