AUTUMN.

The world puts on its robes of glory now
The very flowers are tinged with deeper dyes;
The waves are bluer, and the angels pitch
Their shining tents along the sunset skies.

Albert Leighton.

ROBES OF GLORY ARE THE AUTUMN FASHION SCENE!

The lady is seductive once again!

Rich fabrics, deep warm colours like log fires, smoky greys, berry colours, indigos, chestnuts and loden greens are here and now.

Furs in all colours, shapes and sizes; cuffs, collars, jackets, skirts, vests, coats and linings; unpretentious or super-elegant, let you laugh at winter.

Gentle jerseys make into soft dresses that hint at shapes and discover legs.

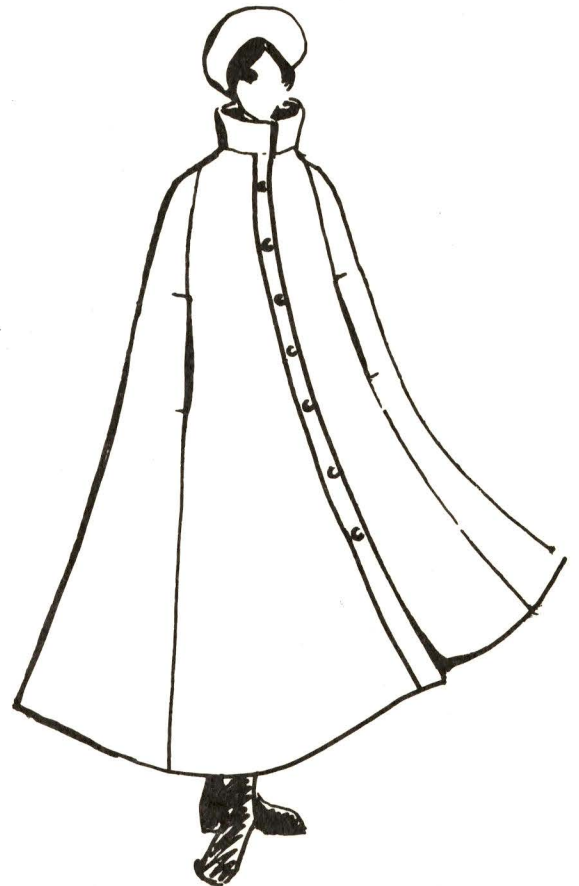

Full coats and capes swirl and billow around calves.

High heeled cossack boots in harmonizing kid march beneath swinging skirts.

Evenings, more sophisticated than ever, find dainty feet tap-tapping in little bits of shoes with high heels, bars or "T" straps that flatter legs and match gowns.

Carefully co-ordinated suits and outfits have romantic blouses with pie crust collars or soft ties.

There is gaiety and relaxed charm and a certain non-chalance about fashion this fall.

AND WHAT ARE WE DOING TO ASSIST M'LADY?

The rich fabrics we have, and the gentle jerseys and not to be overlooked, some stunning new prints from Italy that are almost lyrical in feeling and faintly evocative of a Cole Porter tune.

The furs? We are excited and delighted by our "neighbour" a master furrier who works with us on accents, or to create a whole coat of warm beauty.

Full coats, Jacob-like in many colours fall smoothly and are tied gently at the waist. (\$495)

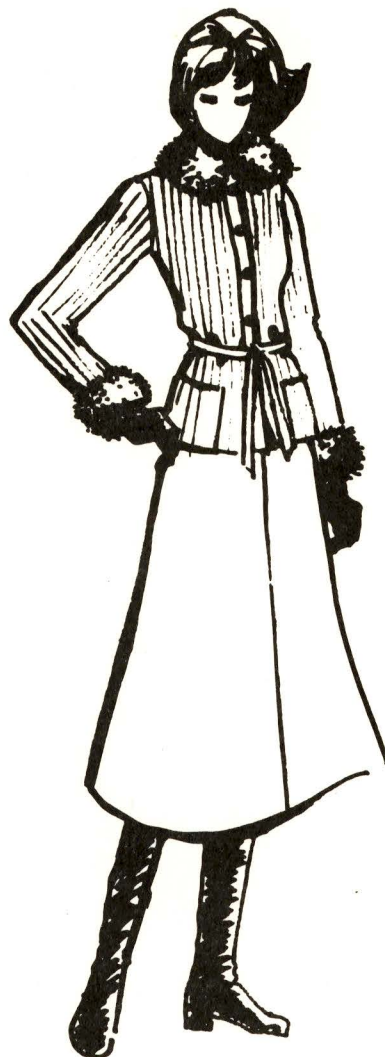

Basic coats, double-breasted reefers in navy wool are superbly tailored and have collars that stand up or down. (\$495)

Unlined capes in white loden are short (\$210), or long (\$250). To be worn over pants or skirts, with tall or short boots to take you shopping, or in the evening, over something more gossamer, to escort you to the opera.

Carefully co-ordinated suits and outfits are our forte. Skirts in Racine jersey are pleated or "A" line (\$135). Be as trendy as you wish in a variety of tops. Plain or ribbed jackets (\$250), round or "V" necked belted pullovers (\$100), or slender cardigans (\$150). All are elegant with removable fur collars and cuffs, or beautifully simple.

Romantic blouses? Yes. In crepe, jersey, silk or chiffon (\$95 - \$250).

Neat, clinging cotton-knit shirts won't muss or crush. They button half way down the front, have two pockets, turn-back cuffs and come in basic colours and in prints (\$65 - \$95).
