POLICE COURT

VICTORIA, B. C.

Dear Johnnie -

Jack has mentioned to
me that you have been
unwell - I do most sincerely
hope that you are feeling
better now and will soon
be fit again - you should
try to cut down a little
at the office - I'm afraid
you work yourself too
hard: in any case, you
know we all think of you
and are pulling for you.

kindest regards -

Bess :
