## EXTRACT FROM BY-LAWS.

(9.) ENTRANCE FEE.—Except as otherwise decided by the Council, every Member shall, upon notice of his election, in addition to a subscription for the current year in which he is elected, or any payment in lieu thereof, pay to the Treasurer, or other person appointed by the Council to receive Members' fees or subscriptions, an entrance fee of One Guinea, or such other amount as may for the time being be prescribed by Regulations.

(10.) ANNUAL SUBSCRIPTION.—Every Member shall on the first day of January in each year pay to the Treasurer, or other person as aforesaid, the sum of One pound five shillings, or such other sum as the Council may prescribe by Regulations, and every Member shall upon his election pay the like amount as his subscription for the year current in which he is elected, or such proportionate part thereof as may be decided by the Council, but in lieu of any such payment a Member may compound for that and all future payments, as hereinafter provided.

(11.) LIFE COMPOSITIONS.—A Member, upon his election, or any other Member whose subscription is not in arrear, may at any time compound for all annual subscriptions by payment to the Treasurer, or other person as aforesaid, the sum following (that is to say):—

(a) A Member whose age does not exceed 30 years, the sum of £25.

(b) A Member whose age exceeds 30 years, the sum of £20, less such sum as is ascertained to be equal to one-fourth part of the total of the sums which have been paid by such Member as annual subscriptions after reaching the age of 30 years.

But before accepting any compounding payment the Council may require from any Member desirous of compounding such evidence of his age as they may think fit.
