

HEALTH COMMITTEE.

The Health Committee met on Monday the 22nd February 1926, at 2 p. m.

Present:- Ald Garbutt (Chairman), Almond, Bennett, Dean, Gibbens, MacInnis, Worthington and Woodside, and His Worship the Mayor (Ex-officio).

The minutes of the previous meeting were adopted.

The Committee begs to recommend to the City Council the adoption of the following report:-

1. Re Toilet for Workmen on Buildings.

Recommended that with reference to the letter received from the Vancouver Shinglers' Union re the above matter, a by-law be prepared requiring contractors to provide conveniences for the workmen engaged in the erection of buildings, and that the Chairman give notice of such by-law at the next meeting of the City Council.

2. Re City Analyst - Work for private parties.

A letter was received from Mr. C. N. Frey asking that permission be given the City Analyst to examine samples of mineral water for commercial purposes.

Recommended that the City Analyst be authorized to refuse if necessary to undertake any analytical work for private parties or for commercial purposes other than in the proper performance of his duties as City and Provincial Analyst.

3. Re Chinese Gardens, Block 9, D. L. 301.

The special committee appointed re the above property reported as follows:-

"Re Block 9, we are of the opinion that the Gardens are not a nuisance, but certain buildings on the said property and occupied as dwellings and also as stable are very unsightly and must be unsanitary and do not conform to the standard required by the City Health Department and City Building Department, and therefore should be condemned as unfit for habitation and removed.

J. A. Garbutt.

E. W. Dean.

Angus MacInnis."

Recommended that the matter be referred to the Chairman, Ald. Almond and MacInnis and the City Comptroller with power to act.

4. Re Infectious Diseases.

Recommended that the report of the M. H. O. re infectious diseases be received and filed.

5. Report on Milk Samples.

Recommended that the report of the M. H. O. on milk samples examined during the month of January be received and filed.

6. Re Analytical & Food Department.

Recommended that the report of the M. H. O. re the above Department for the month of January be received and filed.
