the Summer Season are now ready—price 5c each at the back of the Church,
and also the Bible Reading Fellowship booklets for June.

*God bless our Sovereign Lord and Queen,
Who have to our fair land set sail,
Protect them while upon the deep,
And guard them over road and rail;
While they, our far-flung borders, see,
Lord, from all danger, keep them free.*

*As they from coast to coast proceed
On this glad visit of good-will,
Protect Thou them on every hand
Against whate'er might cause them ill;
May all, a loving tribute pay
The Royal travellers on their way.*

*When, quite too soon the journey ends,
And they embark to sail for home,
As their great ship recedes from view,
Across the wild Atlantic foam,
Our voices o'er the sea will ring—
God bless the Queen, God save the King.*

Tune: MELITA.

(George A. Kingston.)

WE WELCOME to the Cathedral this morning leaders and
representatives in our Civic Life. These men and women
duly elected and appointed bear a very heavy responsibility
in the government and direction of one of the greatest of
Canadian Cities. We should strengthen their hands by
every means we can and stand by them with every encour-
agement. It is always easy to criticize. It is more useful
to give constructive support. An annual civic service is
token of the truth in the ancient word "Except the Lord build the house:
their labour is but lost that build it. Except the Lord keep the city: the
watchman waketh but in vain." We also welcome the County of London
Association and other visitors at this Civic Service.

OUR GOLDEN JUBILEE. President Cody of the University of Toronto,
whose visit to the Pacific Coast two years ago made for closer understanding
between the East and the West, writes concerning The History of Christ Church
Cathedral ("The First Fifty Years"): "I have read it with the greatest in-
terest. The record of achievement is wonderful. May the next half century
maintain and develop the work so nobly begun."

Christ Church Cathedral situated almost in the heart of Down Town
Vancouver has a great opportunity of service to this City. Not only does it
contribute to the well-being of the children and young people of the West
End through many recreational activities, but through social service and Chris-
tian witness it strengthens those forces which make for the welfare of all the
citizens of this great and growing city.

The Hospitals, the Schools, the Social Agencies, the Churches are all
working hand in hand to bring wider privilege and happier life to all.

Christ Church Cathedral stands at this strategic point in the City of Van-
couver to serve all its citizens in the name and spirit of the Lord of all Good
Life who said "I came not to be ministered unto but to minister—to serve."

3 P.M. PATRIOTIC SERVICE AT THE FORUM.

WE WELCOME to the Cathedral this evening the United Empire Loyalists in their Annual Service. It is fitting that the United Empire Loyalists should meet in this service of Loyalty on the very eve of their Majesties' Visit, for it was the courageous self-sacrificing loyalty of their forbears who made Canada soundly and thoroughly British. The importance of this should be more clearly recognized, for the British element in Canada has steadily declined since 1871 and "half the people of Canada to-day, if they look back to an ancestral mother country find it elsewhere than in the British Isles; the 51.86 per cent. British of 1931 have become less than 50 per cent. by 1939." More power to the United Empire Loyalists. We also welcome to-night the First Veterans' Battalion under the command of Lieut. Col. K. W. Savory, D.S.O., Their Colonel-in-Chief is Major Gen. E. Hilliam, C.B., C.M.G., D.S.O.

THE GOLDEN JUBILEE FUND. Through Calendar, Letter or Call you have heard something of the Golden Jubilee Fund which marks this important milestone in our Church's progress. All who love Christ Church Cathedral are invited to have some part and share in this. What your gift may be is for you to decide and make. It may be one contribution, or if simpler and easier a smaller amount five times repeated. Once again let us say that success depends upon everyone doing their part. No matter how small or large it may be it is the gift multiplied by many which makes the worthy total. Will you take the trouble to see to this before the week is out. It can of course be left at the Cathedral Office or sent by mail, or any other arrangement which suits you better can be made through Mr. W. H. S. Dixon, Chairman, SEy. 3509. Everyone is invited to have a share. Stanley Baldwin's phrase holds good here "Let us all pull our own weight in the boat."

THE WOMAN'S AUXILIARY will hold their regular meeting on Friday next at 2:30 p.m. in the Guild Room.

GOLDEN JUBILEE HISTORY. There are now but a few copies of the History left. Members of the Cathedral who did not receive one are asked immediately to secure their copy from the Cathedral office after this service if possible. Those desiring additional copies may secure them at the cost of 50c each.

HOLY COMMUNION. The Sacrament of Holy Communion will be administered on Wednesday morning at half past ten.

A CORDIAL INVITATION

You are cordially welcome at Christ Church Cathedral. Your fellowship and co-operation are earnestly desired. Please check and hand in this notice.
