To Mr. Vance

Mr. Simons; father of  
Mrs. Cooperman (deceased)  
came up to see you. He said  
he would just like to ask  
you a few questions to satisfy  
his mind; he will come back

in a day or so; he asked if the "Vial" would be kept; I said it would be kept alright but that I didn't know just where it was just now, he then mentioned "Fingerprints"; I said we did not do fingerprints and referred him to Sert Vince; then he said it was not that so much that he was interested in, that he wanted to see you; he

said he was not going to  
let that boy go free,  
(referring to Mr. Cooperman)
