January 3, 1935.

Mr. H. H. Duggan,
Detective Sergeant,
City Police Department,
Vancouver, B. C.

Dear Sir:

I have been informed that a letter, written by you some time between August and December of the year 1934, and addressed to Chief of Police Cameron, casts serious reflection upon my character and integrity.

In the event of such a letter having been written by you, I am requesting that a copy of same be placed in my hands not later than January 5, 1935 at 5 P.M.

If, on the other hand, you did not write a letter to Chief Cameron containing allegations against myself, I shall be glad to have you contradict the information which has been given to me.

Yours truly,

John F. C. B. Vance
CITY ANALYST.
Inspector in Charge of Police Bureau
of Science.
