

June 16/28 Am (Saturday)

Mr. L. J. G. Called me

3 phone and asked me to bring

Certificate Book of Aug 1926 to

his office on Monday 9 am June 18/28

I did so - Mr. McGeer & Duggan being
present - Duggan took my Book and
replied it as Certificate Carbon Copy of

4398 and added to Mr. McGeer that
my ~~copy~~ signature on the Carbon Copy was
not the same as that on the Certificate
which he remembered was issued in Aug
1926 he said there was a little line
on the end of the letter R at end of Vance
which was not on the Carbon Copy -
Mr. McGeer examined the page and the

book and said - nothing wrong with it -
Mr. Duggan then came back to the book
and said that ^{to Mr. McGeer} a page was missing -
I explained that this type of certificate

was entirely my own idea - the usual

certificates being loose printed pages not
numbered - Now as City Marshal I had
to make examinations for all Civil Depts
as well as outside Police Depts. I had my
own certificates printed and numbered
in duplicate and bound in book form -
in this manner of report was made to
other Civil Depts or outside Police Depts.
The Carbon Copy would be removed and
filed under the subject matter. I told
Mr. Gen. that any page removed could be
accounted for - and that I would locate them
immediately and bring them to him - the serial number
of pages removed was then taken - and
later in the day I handed these to Mr. Gen.
and he examined these and the book and
was completely satisfied - He gave the Carbon
Copy pages with him so that a further
check could be made at my suggestion.
which Mr. Gen. said was entirely unnecessary -
I asked then the address and the serial number
on the Carbon Copy - and contents of the certificates
could be compared with letters in lower which those
subscribers had received the originals - and whose names
appeared on the Carbon Copies - He gave the Carbon
Copies and brought my certificate book away -
I gave evidence today June 21st / 1885 Thursday at this
time Mr. Gen. told the Court that he had
examined my records and that he was satisfied
with them.
