Duggan has 22 Witnesses for the investigation -

meeting and tried to get through a Vote of
Censure against Chief Foster and many other

approve of them - Duggan reports this to
the Mayor - and now the Mayor has
Summoned the members of the Federation to
give evidence concerning Duggan Statements
re the investigations — Mr Jones Stated
that Duggan is a most dangerous man
a liar & Fraud - and he had known Duggan
time & again that his evidence was not true
against accused persons - Mr Jones Stated

then the Mayor instructed the Chief to make Duggan a Detective Inspector - and the Chief had agreed - Mayor pointed State that Duggan was temperamentally unsuited to be on the force and unless the investigation is finished he proper would demand Duggan dismissal from the force
