CANADIAN INDUSTRIES LTD.  
MONTREAL, P. Q.

GENERAL MANAGER  
GARNET T. PAGE, M.C.I.C.  
18 RIDEAU STREET, OTTAWA, ONT.

March 2, 1948.

Dear Member:

No doubt you have overlooked the invoice for 1948 Institute membership fees that was mailed to you in January. I am confident that this reminder will bring the matter to your attention and that you will remit your 1948 fees now, and thus ensure a continuation of Institute services and privileges, including your subscription to Canadian Chemistry and Process Industries and the right to vote in the forthcoming elections for Councillors "A" and "B".

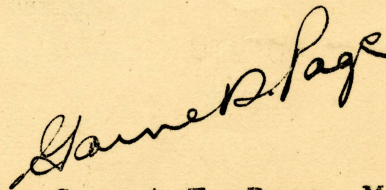

The scale of annual membership fees is:

Fellows	\$15.00
Professional and Associate Members	
- 30 years of age and over	\$15.00
- not over 30 years of age	\$10.00
Junior Members	\$ 5.00
Student Members	\$ 2.00

to which should be added \$2.00 for a subscription to the CANADIAN JOURNAL OF RESEARCH (Sections "B" & "F") if desired.

You will understand the necessity for this letter being sent to you now, when it is realized that the distribution of ballots for the annual election of Councillors "A" and "B" will take place on April 15, 1948, and that the Institute fiscal year ends on April 30, 1948, making it most desirable to ensure that all members are in good standing before these important administrative dates.

Yours sincerely,

Garnet T. Page, M.C.I.C.,  
General Manager.
