Re. Matthew Olsen, Deceased.

Dear Sir:-

I am forwarding by C.P.R. Express, one parcel containing two bottles, one part stomach contents and the other the brain of deceased above named.

I have also enclosed a letter from Dr. J.P. Ellis which is self explanatory.

We would appreciate very much if you will analyse the contents of the bottles and send your findings to either Dr. J.P. Ellis or myself.

Thanking you,

I remain,

Yours very truly,
