

February 3: 1938

3-30 pm to 5-15 pm

Lecture and instruction in
Police Bureau of Bureau of Security.

Present = Mr. G. Grant. Det. Insp
E. H. Pittet, Det. Insp.

Subjects -

Description & use of and
demonstration of -

Lecture Notes. Zylbo
Security Writing

Comparison of fingerprints
and Comparison of Bullet

Spectroscopy - Gun Analysis

Bulwars -

Foot Impressions

Description of Rouben Land & from

Rape 3 bullets. Spectroscopy

Gun powder on hands

Magnifying printing

February 9th 1938

3.30 pm to 5.25 pm

Lecture and Instruction in
Police Bureau of Science Laboratory

Present: D. McKay S/Insp
b. F. Tuley, Staff Insp.

Subjects -

Descriptive uses and
demonstrations in

Comparison handwriting
and comparison of Bullets.

Ultra Violet Light
Secret Writing
Clock & Wood.

Handling of Exhibits in Rope Cases.
Glass Structure, Spectroscope

Magnifying & Comparison of
Printings

Rope Exhibits.

Gun Powder on hands

Magnifying. Printings

Feb 10 / 1838

3.30 pm to 5.25 pm

Lecture and Instruction in
Police Bureau of Police Laboratory

Presided - R. Munro Inspector.
S. A. Lowry Inspector

Subjects - Descriptive notes and
demonstrations in

Comparison of Impressions and
Comparison of Bullets

Latent Finger Prints and
Series Writing. Clock. Wood.

Examination of Effluents in
Rope Cases

Spectroscope - glass structure
on finger or hands.

Magnifying. Printing

Feb 11: 1938.
3.30 pm to 5.35 pm

Present:

Joseph Turing
Ensign A. S. Kamm

Subjects. Description - uses and
Ammunition in

Comparison of weapons
Comparison of Bullets
Care of Bullets - cartridge
and - care of Remington
Revolvers

Extra Notes. Notes.
Notes. Notes. Notes.
Notes.

Notes - gun structure
Notes structure and care of
Revolvers
Notes. Notes

March 1st / 38

3.30 pm to

Lecture and Instruction in
Feds. Bureau of Bureau Laboratory

Present =

DET. SGT. C. W. Spencer

DET SGT. J. Parsons

Subjects -

Description, uses and
Application in

Case of Ray, E. K. - identification
of fingerprints & Semen.

Ultra Violet Light. - Sent Writing
Wood. Clock. Solution -

Comparison Microscope.
Comparison of Printing
Gun Pouches or Bands

Microscope - Comparison of
Printing.

Det. W. W. Foster
Chief Constable

was present at the
Lecture from 3.35 pm
to 5.00 pm

March 16/38

3.30 pm to 5.00 pm

Lecture and instruction in Petre
Bureau of Sugar Technology

Present =

Insp. F. R. Lester.
Asst. R. A. Perry.

Description and demonstration
and use of

Microscope.

Seeds, Whittling, Clock Structure.
Wood and Sugar fluorescence

Comparison microscope.

Bacterial Examination
Cattle and Examination
Fungal Examination
Gum powder on hands

Care of Petre Structures.
Description of Spermatogon
Tests for Semen

Description of Testes - two
impressions and glands
of Penis

Description of Epididymis

Presented by
J. R. Lester
J. R. Perry

March 23/38

3.00 pm To 5-10 pm

Lecture and demonstration in Police
Bureau of Science Laboratory

Present

W. H. Emerson, Insp.

J. J. Hubbard, Inspector.

Description and instruction and
uses of

Latent Fingerprint

Scientific Method

Chalk - Wood - Metal -

Signs of Humidity

Comparison Microscope

Comparison of Prints

Castles - Lines

Points -

Points to Hand -

Spectroscopy - Description of Glass

Case of Raye Zephirus - Description of
Specimens -

Case of Blood Zephirus.

Description of Tools - Their uses and

Ascot Farm Davey

Sept. 20/36 - Sunday. 4 per 3 animals premises - no screen doors
on back House. Barn very dirty. Cows dirty, milkens dirty,
mud hole back end of Barn. Feed door open. Stalls dirty.
Warned Mr. Hime re cancellation of license & difficulty of getting
license for new premises unless he could show more care
in operation. —

— 6/15 Oct 1/36 —

Oct 22/36 - Mr. Wick J. J. Shuman - premises
Vacans / addition to back House for
Dawdles being built —

Patricia Farm Dairy

Sept 20/36 4.30pm Sundry -

3 framed premises. No
screens on back House - Broken Window. dirty
milkers - dusty barn. Cow stable not closed from
feed alley. Manure filthy & too close to barn.
Horse in stable. No proper milk cans. Unsanitary
Hassell. This one may have to take drastic action
unless he immediately improved -

OCT 22/36 - at Farm 2 days. In Hassell there
are
No screens on windows. Sawmud very dirty
lining inside of back House -
I sized a 01 pint milk bottle of Colony
milk. I took a sample of cream & milk
for color test. Hassell is to immediately
remove manure from rear of stable -

Volumes - 16 cases of quarts
2 cases of pints
8 = 1/2 pint bottles of cream

Brooksbanks Davy

Sept 25 '66. 3.30pm

at Davy. - condition poor

D^r E. H. Tink - examines the employees heads every week

D^r Jagger. Examines the cattle every month -

they use 100 lbs of steam for Sterilization
(Boiler Blows off at 100 lbs)

Melrose Dairy

3396 Kingsway - (pasteurizer)

Sept 26/36 - am. Inspected the new Dairy - just
installing equipment.

Cool pasteurizer - Alpha B. 200 gallons

Oct 22/36 pm - as Day & Long Skinner
Butter - kegs mixed & mixed
in floor - selling milk in
flavor - no props for water
facilities - equipment by
around Day, not covered.

Meadowdale Davy.

WT. Co. Auction

6/18/36. per much long, Shimmer. Condition
- pressure very good

6/22/36 per - as Janie long Shimmer.

3) Cases of Quarts (yesterday 12 cases, as
Graphbrook Davy had)
3 cases of parts
condition little improved -

University Dairy.

Condition poor & unclean -
Horse to be clod from cows

22 cases quarts
2 cases pints

Jr's Steves Raw Milk Farm (Associated
Danes Raw Milk
Suff.)

Oct 13/36 3.30 pm with long Skimmer
in Day Farm -

Bad Skye - Pigs in adjoin?
Barn
Pigs in yard pen 150' from
Carn Stables -

Milk House Terrible
Barn - Bad
Skye - dangerous

Oct 14/36

9.30 am I phoned Dr. Collins

Associated Danes - but was
informed he was away on vacation
& would not return until Oct 26 -

John asked for his Kracken. & was
informed that he would be in a Board
meeting all day - John asked the girl
for the note in charge - I say far in
touch & a long arrangement. He was
understanding, Boulded Raw Milk I asked him
to put me in contact & someone in
Ankhorf - I was then put in touch &
Geo Martin. I arranged to take
Geo Martin & Lyle Atkinson over to
Heaver farm at 2.30 pm. Arriving there
about 3 pm we saw Harold Heaver
Martin & Atkinson saw the conditions &
I informed Mr. Steves that he must stop
immediately seeing boulded milk to Vancouver.
He said he had been expecting that for a
long time. Since the WHPL has him from
19 to 9 cows he had thought he said
the place was bad. Atkinson asked for
time to advise their Raw Milk. I gave them
until Saturday. So they go home Raw
Milk will be boulded on Steves farm after
Oct 17/36 - until further notice to B. Steves -

Verbal notice to cease boulding
milk in farm of Geo Martin & Lyle
Atkinson - This date -
no written notice to be sent

Boulding of Jr's Steves Raw Milk to cease
on October 17/36 -

Mc Hairs Dairy
