Board of Police Commissioner,
Police Headquarters,
Cordova Street,
Vancouver, B. C.

Gentlemen:

I wish to take this opportunity of thanking you and through you Inspector J. F. C. B. Vance of the City Police Science Bureau, for the services which he rendered to this department in the case of Rex vs Won Fat on a charge of arson for which he was recently found guilty in the County Court at Vernon.

Mr. Vance's research work on various exhibits and his subsequent evidence at the trial was in my opinion very technical and of a very high character and had it not been for the assistance of Mr. Vance I am sure that a case would not have been made out against the accused.

Yours very truly,

W. A. Walker

FIRE MARSHAL.
