Sent No.

The Government shall not be liable for damages arising from failure to transmit or deliver, or for any error in the transmission or delivery of any telegram, whether happening from negligence of its servants or otherwise, or for delays from interruptions in the working of its lines, or for errors from illegible writing, beyond a refund of the amount received for sending the same, except in the case of error in a repeated telegram.

To guard against errors, the Government will repeat back any message for an extra payment of one-half the regular rate for transmission and in that case it shall not be liable for damages exceeding fifty times the amount received for sending and repeating any such message.

In no case will the Government be responsible for the correctness of cipher or obscure telegrams, whether repeated or not.

The Government shall not be liable for any act or omission occurring beyond its own lines, but will endeavour to forward telegrams by any other lines necessary to reach their destination.

G. C. W. BROWNE,

Controller.
