

# THE SOCIAL REGISTER OF CANADA

Suite 618

1255 University Street

Montreal, Canada.

In response to the many requests received from new members of the Social Register of Canada Association, and in view of the fact that we have a limited number of copies of the First Edition left, it has been decided to release them to those wishing to have a complete set of the Social Register of Canada.

As there was only one printing of this first edition, which as such has special significance, we would ask members to return this card within ten days in order that they may avail themselves of this opportunity.

The charge to members of the Social Register of Canada Association will now be only Ten dollars for the first edition.
