PERSONAL

The Social Register of Canada acknowledges the receipt of your nomination sheet and takes pleasure in advising you that your name, and the names of your immediate family together with biographical material that you have submitted will appear in the forthcoming edition of the Social Register of Canada, to be published in October 1959.

You and your family having qualified for membership in the Social Register of Canada, are entitled to receive the published records and chronicles of Canadian citizens of good family and social standing. Your membership also provides such supplementary editorial data, to be published at annual intervals, as will be required to maintain your volume at a level of contemporary social validity.

Nomination procedures have been perforce, rigorously selective, and the Social Register of Canada will continue to maintain the quality of the content of each book, generation after generation.

Membership in the association is restricted to those who have been selected for inclusion in the Social Register itself. Moreover, the bound volume will not be for sale but will be issued in connection with each membership. Volumes of the book have been made available, under special membership, to Embassies, Aides-de-Camp, Social Secretaries, Libraries, Diplomatic Corps and representatives of Royal Families who will wish to use it as a guide.

Will you kindly accept or decline membership in the Social Register of Canada, within a ten day delay, by returning the enclosed numbered cheque for twenty-five dollars, signed or unsigned. Your membership card will be issued immediately and your copy of the Social Register will then be sent to you on publication at no charge. A return envelope is enclosed for your convenience.

The Editors.
