Dear Sir:

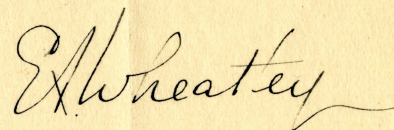

In conformity with the precedent of previous years and by-law 10 of the by-laws of the Association of Professional Engineers of the Province of British Columbia, I am instructed to request your acceptance of the nomination as candidate for the office of Councillor of the Association for the year 1923-24.

The by-law calls for a second meeting of the Nominating Committee in the second week of October, I therefore request that your consent reach this office as early as possible.

After the second meeting of the Nominating Committee the names of the candidates will be printed and the ballots forwarded to all members in the usual manner.

I am, Sir,

Yours faithfully,

Registrar.
