Vancouver.

Dear Mr Vance.

I am enclosing copies
of the formula for three of
the Liquid Creams. These were
sent as from New York.

The Trihydroxyethylene-
amine. stearate, is a special
mix of the people providing the
formula, & the perfume oil & etc.
also their manufacture.

With the liquid vanishing
& Cleansing Creams they state.
pounds. (lbs). but do not do

so on the Cold Cream, but I
presume they should be the
same.

I have not copies of the
formulas of Mrs Lowe, but have
requested them, as those given
me by herce, were wilfully
distorted.

I shall be pleased to
hear from You at Your Convenience.

Sincerely.

W. Leggo A.
