Dear Sir:

There is a possibility that we may be honored with the milk and cream orders for the Royal party.

We have a herd of fifty cows carrying a T.B. certificate and a blood test certificate and I am writing to ask if you will be so kind as to place an Inspector at our disposal to be present from the point of production right through to the point of delivery.

I trust that you can assist us in this matter and we will advise you more fully when we have received further instructions.

Faithfully yours,

JERSEY FARMS LIMITED
