

May 25, 1939.

J. F. C. B. Vance, Esq.,  
Chief Food Inspector.

Sir:

I beg to report having examined 28 chickens at the Point Grey Poultry Supply, rear 860 Hornby Street, prior to killing and after they were dressed.

I supervised the killing, dressing, cooling and chilling on May 22nd and the packing of the chickens on May 23rd. All were grade A.1. birds, free from disease, wholesome and fit for human food.

Respectfully submitted,

*Edm Lachlan*

City Veterinarian & Meat Inspector.
