Dear Sirs:-

Attention: Mr. Bowers

Supplementing our recent telephone conversation regarding supplies required for the visit of the King and Queen and Royal Party.

Please find attached hereto our official order #4502 BSH 1009 covering fresh fruits and vegetables for the Banff Springs Hotel, Banff, Alta. It will be noted that tree or wine ripened fruits, also large sizes are specified.

We cannot emphasize too fully the care it is necessary to exercise in the selection of all items, likewise the attention that should be given to the packing and shipping of these supplies.

For the items to be brought forward from California we would like to receive any pure food, or inspection certificates, issued by United States officials or State Government officials.

The shipment will require to leave Vancouver on the night of May 22nd. Before despatching, however, the total consignment should be assembled at Vancouver not later than May 20th, as it is our wish that Mr. J.F.C.B. Vance, City Analyst, inspect and make the necessary tests in order that he may issue certificate to cover.

Will you please advise what, if any, of the items on the enclosed order will be supplied locally.
