Dear Sir:

I wish to acknowledge receipt of your letter of May 11th enclosing copies of nine orders concerning commissary required for the Royal train, also letter of May 12th stating that orders concerning commodities required for S.S. Prince Robert will be forthcoming. I am also in receipt of letter of May 12th enclosing copy of your letter sent to suppliers of fruit and vegetables.

This Division has the work well in hand, and reports at later dates will indicate to you the care and control which this Division has exercised in the matter.

Yours very truly,

John F. C. B. Vance
