Dear Sirs:

This Division is desirous of obtaining information concerning various rat poisons on the market which are advertised as non-poisonous to dogs, cats and other animals. One such preparation is sold under the name Nox-all.

Any information you could give this Division concerning such preparations, such as the names, active ingredient, etc. would be greatly appreciated.

Yours very truly,

John F. C. B. Vance
City, Provincial & Dominion Analyst
Chief Food & Dairy Inspector.
