Major Maxwell,

Adj't, 11th Irish Fusiliers of Canada,

Vancouver, B. C.

Dear Major Maxwell:-

I would like to introduce to you Mr. Vance, who has been trying for some time to enter the Officers' Class in his desire to go overseas.

I have known Mr. Vance for some seven or eight years and can safely say that he is a most painstaking, energetic and steady gentleman and would do credit to any Corps that he may be posted to.

If you can further him in any way, I should feel greatly obliged.

Yours Sincerely,

(Signed) S. Burgoyne.,
