

The Association of Professional Engineers of the Province of British Columbia

PRIVATE AND CONFIDENTIAL

REPORT ON APPLICATION FOR A LICENCE TO ENGAGE IN THE PRACTICE
OF THE PROFESSION OF Chemical ENGINEERING

(UNDER THE TERMS OF THE ENGINEERING ACT OF THE PROVINCE OF B. C.)

16th September, 1929

J.H. McIntosh

BY J.F.C.B. Vance Esq., Board of Examiners, Chemical Branch

DATE September 16th, 1929

REMARKS:

The writer appears to have a thorough knowledge of the manufacture of Portland cement and is well informed concerning the various processes involved.

I have no hesitancy in stating that the paper is highly satisfactory, and I beg to recommend accordingly.
