City Analyst,
236 Cordova St.
Vancouver B.C.

Grease on Shipways.

It having come to our knowledge that some deleterious matter had been mixed with the grease, used on the ways while launching ships in the local ship-yards, we secured a sample which we herewith forward to you for analysis.

Will you kindly oblige and let me have your report as early as possible. Alum is suspected.

R.C. Buchanan

Lieut,
S.D.I.O., M.D.No.XI.
